This promotion applies exclusively to residential, add-on replacement purchases during the qualifying period. Commercial applications, new construction applications, new construction upgrades, multi-family applications, or investors or investment properties **are not eligible** for this promotion.

Only Carrier systems or units purchased from participating dealers between **April 12, 2021** and **June 30, 2021** and installed by **July 31, 2021** are eligible for the Cool Cash rebate. This promotion is not retroactive for Homeowners who purchased qualifying equipment prior to **April 12, 2021**.

All claims must be processed by 6:00pm CDT on **July 31, 2021** in order to qualify for Carrier's Cool Cash rebate. For Instant Rebates, Carrier Factory Authorized Dealers (FADs) must log on to www.CarrierIncentives.com to submit the rebate information and upload a copy of the corresponding invoice prior to the claiming deadline in order to receive the rebate. If the required information is not received by the deadline, this claim will not be processed.

Rebate Offer: Homeowners can receive a rebate on the purchase of a qualifying Carrier system or qualifying Carrier unit. Multiple rebates per household may apply. Please use one form per system rebate. These offers are not valid with any other Carrier factory-sponsored rebates. Your Carrier dealer may provide additional offers at the local level such as financing, service agreements, or added rebates. Ask your Carrier dealer for more information. For rebate amounts and qualification, please contact your dealer. No substitutions will be accepted. Promotion terms subject to (1) product availability and (2) change or cancellation without prior notice.

Carrier Corporation is not responsible for incomplete submittal of claims via www.CarrierIncentives.com. Carrier Corporation will not process claims or pay rebates after the July 31, 2021 deadline. For questions or issues regarding your Carrier system, please contact your Carrier Dealer who installed your Carrier equipment.

Privacy: This program involves the collection of various types of Homeowner information. By participating in the Carrier Cool Cash promotion, you understand and acknowledge that Carrier collects the Homeowner information for among other things, market research studies, reports and direct communications.
