BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

NEW SECTION. Section 1. Credit for renting dwelling below market rate. (1) A taxpayer or

corporation is allowed a credit against the tax imposed by chapter 30 or 31 for property owners who rent a dwelling in Montana below market rate. The credit is available to a taxpayer or corporation that charges rent on a dwelling of less than 110% of fair market rent for the county in which the property is located.

(2) The amount of the credit is equal to \$200 for each \$100 by which 110% of fair market rent exceeds monthly rent.

(3) The credit allowed under this section may not exceed the taxpayer's income tax liability but may be carried forward 3 years. The entire amount of the tax credit not used in the year earned must be carried first to the earliest tax year in which the credit may be applied and then to each succeeding tax year.

(4) A dwelling for which the credit is claimed must:

(a) be subject to a lease agreement of not less than 1 year; and

(b) meet the housing quality standards for the housing choice voucher program provided for in 24 CFR, part 982.401.

(5) If the credit allowed under this section is claimed by a small business corporation, a pass-through entity, or a partnership, the credit must be attributed to shareholders, owners, or partners using the same proportion as used to report the entity's income or loss.

(6) The credit may not be claimed for a dwelling for which the rent is limited due to participation in

1 any other program that provides a benefit to the property owner for limiting rent.

2 (7) The department may disallow the credit when the landlord and tenant have not dealt at arm's
3 length.

4 (8) The taxpayer or corporation shall file with each claim for the credit a receipt or lease agreement
5 showing rent paid on the dwelling and, if rent includes utilities, information on the annual cost of the included
6 utilities. In addition, a taxpayer or corporation shall, at the request of the department, supply all additional
7 information necessary to support a claim for the credit.

8 (9) Pursuant to 5-4-104, the purpose of this credit is to incentivize landlords to provide affordable
9 rental housing.

10 (10) For the purposes of [section 2] and this section, the following definitions apply:

11 (a) "Dwelling" means a residential dwelling, manufactured home, trailer, mobile home, or unit of a
12 multiple-unit dwelling and as much of the surrounding land, but not in excess of 1 acre, as is reasonably
